

# European Sport Leadership Programme ESLP

Co-funded by the  
Erasmus+ Programme  
of the European Union

# PRESENTATION

European Sport Leadership Programme – ESLP is a European Project approved under the Erasmus+ Program, included in ERASMUS+ SPORT

# AIMS

The aim of the program is to help success the objective of promote and improve good governance in sport through actions that have the support of the EC, as detailed

# IMPLEMENTATION

- 1 Increase knowledge and awareness of sport and provision of active recreation in each partner country
- 2 Strengthen cooperation among partner organizations in sports and active recreation
- 3 Improve the exchange of good practices in the governance of the university sport and active recreation, influencing how the objectives of university sports are established and achieved to optimize and control performance;
- 4 Increase the awareness and results of the added value of the sport and physical activity in personal development and professional students, specifically to help improve the employability factors of graduates;
- 5 Encourage participation in sports and active recreation, particularly with those currently less active.

Throughout the project, each partner will organize and host a transnational project meeting and will implement actions of dissemination at the local, regional, national and international levels.

# Expected results

The results of the program would be relevant for all universities and target groups, where improving governance of university sport, increase sports participation and improving the employability of graduates are important for all universities.

# WHAT IS THE OPRI

The International Project Office (OPRI) is an office linked to the Vice-rectorate of Research, responsible for the management of international research projects at UCAM. The OPRI was founded to strengthen the collaboration between our partners all around the world in the field of research. The unit was established in 2012 and has built strong alliances in 36 countries in which the university has to date participated in 57 projects. The internationalization of the Catholic University of Saint Anthony, through the OPRI, is directed towards all of the university community, researchers as well as students. A total of 192 students have participated already in projects in a variety of countries all over the continent.

Currently we are leading international projects like LIFE Clean Up, and LIVERUR. UCAM also has been awarded a postdoctoral Marie Curie with the project "POCBIOPEP" related to the study of cellular markers in blood from the intake of Pork Cured BIOactive PEPTides. Likewise, the UCAM, recognized by European institutions for its work in research and management of sports projects, such as dual career (education + sport) is coordinating the projects "ESLP" inside the call Erasmus+ Sport.

# OBJECTIVES

- 1 Increase international presence UCAM in the European Union through participation in networks of knowledge, technological and scientific platforms, dissemination seminars, technical conferences and other events promoting R&D organized by the EU, with the presence of renowned professionals.
- 2 Increase the participation rate of UCAM in European R&D, either as leaders or as partners.
- 3 Increase the success rate of proposals presented by researchers at the UCAM to European and international R&D.
- 4 Improve the rate of return derived from the participation of the UCAM in European R&D.
- 5 To promote European values.
- 6 Establish a commitment for university students towards European

# OPRI DATA

<b>Approved projects</b>	<b>57</b>
<b>Important active projects</b>	<b>16</b>
<b>Number of researchers involved in projects</b>	<b>71</b>
<b>Number of project partner countries</b>	<b>36</b>
<b>Number of students involved in projects</b>	<b>194</b>
<b>Total budget of approved projects</b>	<b>€11.877.492,70</b>

UCAM considers the international communication as the key for its growth and in achieving great results together with the advancing contribution in all scientific areas.

With the OPRI, UCAM is aligned with the R&D policies of the European Union and the Ministry of Science and Innovation.
